

Spring is here

I can see a rainbow

I can see the butterflies

I can hear the birds

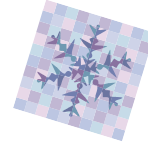

I can hear the bees

I can feel the sun

I can feel the wind

Spring is here

Spring is here

Good bye winter ! Hello spring !

A new start for **EVERYTHING!**

Good bye snow ! Hello sun !

Let's go outside and have some **FUN!**

DANCE!

I can see the cherry trees

I have a runny nose

I can hear the frogs

I have itchy eyes

I can smell the flowers

I have a fever

Spring is here

Spring is here

Good bye winter ! Hello spring !

A new start for **EVERYTHING!**

Good bye snow ! Hello sun !

Let's go outside and have some **FUN!**
